**SQM ANUNCIA CAMBIO EN ESTRUCTURA ORGANIZACIONAL**

**Santiago, Chile. 18 de Mayo de 2016.**- Sociedad Química y Minera de Chile S.A. (SQM) (NYSE: SQM; Santiago Stock Exchange: SQM-B, SQM-A) anuncia reestructuración organizacional, como parte del desarrollo estratégico de la Compañía. La nueva estructura contempla vicepresidencias comerciales distintas para el negocio de fertilizantes y para el negocio industrial, para enfrentar las características particulares de cada segmento. Adicionalmente, se han creado vicepresidencias responsables de las áreas de desarrollo y planificación, personas y desempeño, asuntos públicos y sustentabilidad, y finanzas, todas reportando a un vicepresidente de servicios corporativos.

Al respecto, el Gerente General de SQM, Patricio de Solminihac, dijo: "Hemos trabajado arduamente en los últimos meses para evaluar la mejor manera de enfrentar los desafíos que vemos en los distintos mercados en los que participamos en los próximos años. Consecuentemente, hemos decidido hacer cambios organizacionales que nos permitan enfocar nuestros esfuerzos en las prioridades de nuestro negocio de manera más efectiva. Los ejecutivos que han sido nombrados a cargo de cada una de las vicepresidencias tienen una trayectoria exitosa con la Compañía. Estoy convencido en que SQM cuenta con un gran equipo humano que podrá sacar adelante los desafíos que se nos presentarán en el futuro, creando valor para nuestros accionistas, clientes, colaboradores y comunidades donde interactuamos".

A continuación se incluye un diagrama descriptivo de la nueva estructura organizacional.

## About SQM

SQM is an integrated producer and distributor of specialty plant nutrients, iodine, lithium, potassium-related fertilizers and industrial chemicals. Its products are based on the development of high quality natural resources that allow the Company to be a leader in costs, supported by a specialized international network with sales in over 110 countries. SQM's development strategy aims to maintain and strengthen the Company's position in each of its businesses.

The leadership strategy is based on the Company's competitive advantages and on the sustainable growth of the different markets in which it participates. SQM's main competitive advantages in its different businesses include:

- Low production costs based on vast and high quality natural resources;
- Know-how and its own technological developments in its various production processes;
- Logistics infrastructure and high production levels that allow SQM to have low distribution costs;
- High market share in all its core products;
- International sales network with offices in 20 countries and sales in over 110 countries;
- Synergies from the production of multiple products that are obtained from the same two natural resources;
- Continuous new product development according to the specific needs of its different customers;
- Conservative and solid financial position.

## Cautionary Note Regarding Forward-Looking Statements

This news release contains "forward-looking statements" within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as: "anticipate," "plan," "believe," "estimate," "expect," "strategy," "should," "will" and similar references to future periods. Examples of forward-looking statements include, among others, statements we make concerning the Company's business outlook, future economic performance, anticipated profitability, revenues, expenses, or other financial items, anticipated cost synergies and product or service line growth.

Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are estimates that reflect the best judgment of SQM management based on currently available information. Because forward-looking statements relate to the future, they involve a number of risks, uncertainties and other factors that are outside of our control and could cause actual results to differ materially from those stated in such statements. Therefore, you should not rely on any of these forward-looking statements. Readers are referred to the documents filed by SQM with the United States Securities and Exchange Commission, specifically the most recent annual report on Form 20-F, which identifies important risk factors that could cause actual results to differ from those contained in the forward-looking statements. All forward-looking statements are based on information available to SQM on the date hereof and SQM assumes no obligation to update such statements, whether as a result of new information, future developments or otherwise.
