

TRANSACTIONS WITH RELATED PARTIES – LAW N°18,046 TITLE XVI

The Board of Directors of Sociedad Química y Minera de Chile S.A. (the "Company") informs that during 2023, it approved the signing of the contracts and other documents for the acquisition by SQM Australia Pty Ltd., ("SQM Australia"), a subsidiary of the Company, of all the shares issued by Azure Minerals Limited ("Azure"), especially the Transaction Implementation Deed between the Company, SQM Australia and the proposed public deed of sale or Deed Poll, together with other documents that complement said transaction. The Board of Directors also approved the granting and subscription of the Transaction Implementation Deed as a contract with a related party, given that Azure is an affiliate of the Company, expressly stating that said contract contributes to the corporate interest and conforms in terms and conditions to those currently prevailing in Australia for these types of transactions.
